Note: All underage competitions are to comply with the above Rules and are unable to replace carded players until the relevant playing time has elapsed.

(Yellow Card = 15 minutes. Red Card = 20 minutes)

In all AFL Barwon Senior & Reserve matches any player receiving a yellow or red card may be replaced immediately. A player receiving a red card is to remain off the field for the remainder of the game. A player receiving a yellow card can return to the field after 15 minutes of playing time has elapsed.

5.1 Interchange bench numbers in all Senior male & Division 1 Female Football Leagues are four (4), Reserves & all other Senior Female Football divisions are five (5). All Under 18s are five (5).

5.4 It is the responsibility of the timekeepers to ensure that players ordered from the ground under a yellow card, remain off for fifteen minutes of actual playing time and those ordered from the ground under a red card remain off for the remainder of the game. All Clubs must have installed red and green lights for the purpose of acknowledgment of the umpires’ carding decisions and the notification to the Clubs when the player (yellow card only) is eligible to return the playing field. The timekeepers must therefore:

- (a) identify the umpire's signal (a yellow or red card), which indicates a player has been ordered off;
 - (b) acknowledge the umpire's decision by flashing the red light on and off or another signal by holding aloft the appropriate card;
 - (c) record the relevant amount of actual playing time from the moment the player crosses the interchange area in the space provided on the time cards (failure to record the implementation of this rule on the timecards will result in a \$30 penalty); and
 - (d) signal the conclusion of the fifteen-minute penalty by signalling through the use of the green light. The interchange steward will continue to record the change as has been the case. The onus remains with the clubs to ensure that this procedure operates effectively.
- NB: In the event of more than one player being off at any given time, the onus is on the Club to confer with the interchange steward/timekeepers to determine which player is eligible to come on.
- (e) any player ordered off under a red card is not permitted to take any further part in the game

5.5 Clubs in breach of procedure: In the event a Club believes an opposition **team has more than the permitted number on the field of play and/or** a player has returned to the field early, the **Team Captain must ask the officiating field umpire** to call a team count to verify the number of players on the ground and the score at that particular time. The Umpire will record the result of the count on the Umpire's Match Report. Where a Team has more than the permitted number of players on the Playing Surface, the following shall apply:

- (a) The field umpire shall award a Free Kick to the captain or acting captain of the opposing team, which shall be taken at the Centre Circle or where play was stopped, whichever is the greater penalty against the offending team.
- (b) A Fifty (50) Metre Penalty shall then be imposed from the position where the Free Kick was awarded; and
- (c) The Goal Umpires shall record the time and, write the current scores as at the time of the Head Count on their Score Card
- (d) The matter will be referred to the League to investigate and ultimately determine the outcome as they see fit - note that the offending team does not lose all points scored in the Match up to the time of the count on matchday, but will have any score achieved in that quarter up to the time of the count removed pending the result of the league investigation.

6 Interchange Steward

- 6.1** The Home Club is responsible for the appointment of an interchange steward for each game.
- 6.2** The responsibilities of the interchange steward are outlined in AFL Laws of the Game. The Interchange Steward will record the jumper numbers of players who commence on the interchange bench at the commencement of each quarter. It is the responsibility of team managers from both competing Clubs to notify the appointed Interchange Steward of the jumper numbers of these players at the commencement of the game and then at the end of each quarter break. The interchange steward must also record details (time and jumper number) of players who have been ordered from the ground (yellow or red card), and those either stretched off or sent off due to the blood rule, both when they leave the ground and when they return,

5. games in each of any 5 consecutive seasons for the club or the aligned junior club up to and including Under 18's or o A player who has played only at that Community Club or an aligned junior club, and for no other Community Club; or o A player who has not played Competitive Football in the previous 36 months If a club is wanting to enter a Second Senior Female Team and is under the 90% requirement, penalties will be applied to the Total Team Points of the clubs first team.

The Total Team Points will be reduced on a sliding scale with 1 point being deducted from the Total Team Points for every 3% below the 90%. The sliding scale is as follows: - 89.9% - 87% - 1-point reduction - 86.9% - 84% - 2-point reduction - 83.9% - 81% - 3-point reduction - 80.9% - 80% - 4-point reduction If a club's list represents less than 80% who meet the criteria for inclusion, they will not be permitted to enter a 2nd team in that season. Clubs are required to submit their playing lists to the AFL Barwon Operations Department with all players on the list registered on the membership database no later than 14 days before that clubs first Match in each Football Year. Clubs must advise AFL Barwon of any registrations received after this date so individual player points can be entered and amendments to the club's 90% status can be made where a 2nd team has been entered.

25.3 The Field umpire shall have full control of the play and shall award penalties in accordance with the laws of the game. No appeal shall be entertained against any of his/her decisions.

25.4 In the event of an Official Umpire not being available, a substitute umpire shall be appointed by agreement of both Captains. Such Field umpires shall have the power to:

- (a) issue yellow cards;
- (b) issue red cards; and

25.7.1 In all Senior & Under 18 male games normal AFL Laws of The Game will apply.

25.7.2 In all Female Grades, Reserve Grade and all other Underage games the following

"Last Possession" variation will apply.

A free kick shall be awarded against a player who:

- Kicks or Handballs the football over the Boundary Line without the football being touched by another Player;
- For the purposes of defining a kick, a kick shall be an intentional action, not accidental. When the ball comes off the foot or lower leg of a player without the intent of the player being to kick the ball, it will be deemed accidental contact and will not be determined as a kick by the umpire and therefore will result in a ball-up 15 metres in from the boundary.
- Where a Player who does not have possession stops the football being touched by an Opposition Player by Shepherding the ball across the Boundary Line where the ball could have otherwise been touched by the player being blocked, then the umpire will not award a free kick but will instead order a ball-up 15 metres in from the boundary.

Where Boundary Umpires are not provided by AFL Barwon in any Senior or Under 18 male matches, it is expected that the participating clubs will provide their own club boundary umpires. If these cannot be sourced and the ball goes over the boundary line, but not on the full; the Field umpires are instructed to throw the ball up 15 metres in from the boundary line.

1 Registrations

Every player must be a registered member of their club and approved by that club committee. All players must be registered with AFL Barwon Junior Football before playing.

All initial registrations must be accompanied by suitable proof of age documents. A copy of such documentation must be retained by the club and provided to AFL Barwon Junior Football if requested prior to the player participating in another game.

Fine: Any player who plays without being registered for the 2022 (current) season will be fined \$100 per player and the team will receive loss of match points and percentage. Match points will only be lost if that competition plays for match points (Grading matches included).

2 Age Groups

A player must be 7 years of age by April 30th of the current season (AFL VICTORIA COUNTRY Ruling).

To be eligible for an age group, a player must be born on or after 1st January of the listed year on the table below.

Age Group	Year of Birth
Minimum	Born on or before 30/04/2015
Under 9's	2013
Under 10's	2012
Under 10's (Female)	2012
Under 12's (Female)	2010
Under 14's	2008
Under 15's (Female)	2007
Under 16's	2006
Under 18's	2004

3 Overage Permits

Requests for Overage Permits will only be considered for any Underage Competitions according to the AFL National Age Dispensation Policy as deemed appropriate by the AFL Barwon Permits Panel.

Fine: Any team found to have played an overage player without approval in writing by AFL Barwon will lose any match points and percentage and will be liable for a fine as deemed suitable by the AFL Barwon Commission. Match points will only be lost if that competition plays for match points (Grading matches included).

4 Coaches

All coaches of AFL Vic Country clubs are required to obtain or update Foundation Level Accreditation on Coach.AFL prior to the commencement of the season. All coaches must be able to be selected on the electronic version of the team sheet and cannot be 'written on'.

Coaches are to be seated in the Coaches' Box or if standing, stand directly in front of the Coaches' Box

behind the marked white line positioned between the coach's box and the boundary line. Only team managers, trainers, water carriers and runners are allowed inside the playing arena. It is the responsibility of the club to ensure that all spectators are behind the boundary fence. All coaches are to have read the 'Junior Coaches' Code of Conduct' at the back of this handbook prior to the season commencing.

Fine: Any coach who coaches without being registered for the 2022 (current) season will be fined \$100 per match and the team will receive loss of match points and percentage for the matches won by the team whilst the unaccredited coach continues to coach. Match points will only be lost if that competition plays for match points (Grading matches included).

5 Umpires

Every attempt will be made to provide Appointed AFL Barwon Field Umpire/s for Under 14, 16 & 18 male and Under 15 & 18 female games. The home club is to notify the league where appointed AFL Barwon umpire/s have not attended for Under 14, 16 & 18 male and Under 15 & 18 female games.

Where clubs are required to provide umpires, please note the following:

- Ensure that two escorts are provided for the umpires (one from each competing club) at half and full time. The club runners are to perform this important function as they are clearly identified, and they must escort the umpires to their rooms unless instructed otherwise by the umpires.
- Where the club is the home club, offer umpires cool drinks between each quarter;
- Remain in the centre of the ground with the umpires during quarter time and three-quarter time breaks;
- All club Field and Goal Umpires must be a senior and mature person and be wearing appropriate attire. (i.e. AFL Barwon Junior Football umpire's top and White Goal Umpires Coat). Both the home and away teams must each supply 1 Field Umpire.
- In the event there is only 1 appointed AFL Barwon Field Umpire the home club is expected to supply a second Club field umpire.

Umpires will be instructed to check players, runners and trainers in all grades to ensure that they are not wearing rings or jewellery that could be regarded as a danger to other participants. Plaster casts and injury protection type equipment will have to pass the umpire's inspection before being passed for use. Clubs should seek approval from AFL Barwon prior to this and present this proof to the field umpire prior to the game commencing, the field umpire will have final authority keeping in mind of player safety in all instances..

Ensure that all people within the playing area are authorized to be there. These must be included on the team sheet. It will be within the authority of any official of the AFL Barwon Football Umpires Department to order anyone off the ground who is not clearly identified. This includes players, trainers, runners, water carriers and medical staff.

Umpires have been instructed that no game is to commence without a stretcher provided in or near the coach's box.

Separate change rooms and shower facilities for the umpires are preferable.

6 Number of Players

There is a maximum of 23 players allowed to be on the team sheet for Under 12, 14 & 16 male and Under 15 & 18 female games. The maximum of 23 players allowed to be on the team sheet does not differ for finals.

There is no maximum number of players for Under 9's, 10's, 11's and Under 10 & 12's female. AFL Barwon does strongly suggest that clubs have a due diligence to the children in ensuring they are all given similar playing time.

The minimum number of players allowable is fourteen (14) to constitute a game in Under 12, 14 & 16 male and Under 15 & 18 female age groups. If a team has less than 14 players in these age groups, then that team shall forfeit the game. Game points will be awarded to the opposition team. Under agreement from both coaches, it is acceptable that the teams stage a 'no-play for points' game.

In Under 9's, 10's, 11's and Under 10 & 12's female the minimum number of players allowable to constitute a game is 12. However, under an agreement from both coaches, it is acceptable that the teams stage a "game with no scores".

Where a team has the minimum number of players to start a match but not a full team (excluding bench), the team with the numerical advantage must either "loan" players to the opposition or play with an equal number of players on the field unless:

- A loan is offered but after evening up numbers there are still excess players in which case the team with the numerical advantage can play with one extra player; or
- The team with the numerical advantage only has one extra player than the opposition in which case the team with the numerical advantage can play with that extra player; or
- The team with minimum numbers refuses to accept "loan" players in which case the team with the numerical advantage can play at full strength.
- Team Managers and Umpires are required to sign off on player numbers on the competition match report prior to the match commencing

Fine: Any club who plays in excess of the maximum players will be fined \$100 per match and the team will receive loss of match points and percentage. Match points will only be lost if that competition plays for match points (Grading matches included).

7 Order Off Rule

A player ordered from the ground shall not be replaced in all age groups.

Depending on the severity of the offence, the field umpire can order a player off for the following:

1. 15 minutes and not be reported. (Yellow card)
2. 15 minutes and be reported. (Yellow card)
3. **Reported.** (Red card) Ordered off the ground for the remainder of the match. This player may be replaced after 20 minutes.

(i) Any player who is ordered off three times during the season will receive an automatic suspension of one game in home and away or finals matches. A player who is ordered off for a fourth time during the current season will face the AFL Barwon Tribunal whose decision will be binding.

(ii) A current player report pad is to be placed in the umpire's room at the beginning of the day and left there for the duration of the day's games (Official HQ reporting process to be considered in all these sections)

(iii) If a report is made, a copy of the report must be scanned/photo taken and emailed or sent via SMS through by the home club to the AFL Barwon Head of Operations (e - michael@afllbarwon.com.au m - 0438 416 774), no later than 6.00pm on the day of that match. Required Information includes: Reported player, Offended player (if applicable), Reporting umpire, alleged offence, if a tribunal is required. The original copy of the Notice of Report must be included in the match day paperwork envelope, regardless of whether a set sanction has been accepted or not.

Note the following variation to AFL Vic Country Rule 12.2

If after the game the reporting umpire doesn't indicate on the player report sheet that the offence warrants a tribunal hearing, the offending player can choose to accept the prescribed penalty by signing the player report sheet in the space provided. He can also delay this decision until noon the first working day following the incident at the latest.

The AFL Barwon Operations Manager, reporting umpire, the offending player and the offended player's club secretary all have until noon the first working day following the incident to confirm that they wish the matter to be heard by a tribunal.
