CHAIRMAN'S REPORT

Craig Keating

Welcome to all affiliates and stakeholders to the 2020 Annual General Meeting. This 8th Annual Report with myself as Chair brings to an end a season like no other. A season that has seen us all dealing with the Covid-19 pandemic that is changing the way we live and how we interact with each other. Community Clubs have been impacted in a way that could never have been predicted. It is testament to the way our clubs and leagues are governed and managed that we arrive at this juncture with all affiliates remaining viable and ready to reboot our Community clubs for 2021 and beyond.

Club viability is clearly the key factor that ensures we can resume Football and Netball competitions when it is safe to do so. Many of the measures put in place during the planning for a return to play will hold us in good stead as we plot the course for a return to Competition in 2021. The Community Club Sustainability Program (CCSP) changes that have been implemented over the past six months will be pivotal to our ability to run competitive and sustainable competitions in Football and Netball in 2021 and beyond. The protocols developed during our return to play for Junior sports have demonstrated the ability of our Community Clubs to provide a safe and well managed environment in which our young people can thrive and enjoy the benefits of participation in Community Club sport. It is a shame that the second wave of Covid-19 interrupted our return to play. It was indeed a great pleasure to watch our young members participate safely in our winter sports – even if it was only for three weeks. The management- by our clubs, of the return to play protocols is a great credit to each and every volunteer in our region. The leadership demonstrated by our Community Clubs is going to be really important as we navigate towards the return to play in 2021.

Whilst there is still much to learn about the way out of lockdowns and restrictions, we have demonstrated that we are able to be flexible and can adapt to unforeseen challenges to keep our Community Clubs both viable and safe. AFL Victoria and Netball Victoria continue to work towards providing the tools to help clubs maintain protocols and lend support to our sporting communities. It is important that we follow the health guidelines and keep our stakeholders informed and confident in our ability to safely manage our competitions.

I am also very proud of the work done by our staff at AFL Barwon. Working only from home, with restricted resources and restricted hours and salaries, our people have provided high quality operational and strategic support to not only our grass roots Community groups but also to state and nationally based organisations. AFL Barwon has been at the forefront of feeding information to national and state decision makers and then disseminating advice back to our stakeholders

in a timely and concise manner. I am sure that every club and league in our region will acknowledge the great work of our team.

There is massive change underway at all levels of Football and Netball. At the elite level the budgets have been pruned back significantly. A lot of the resources at the elite club and league level have been reduced by 30% and in some cases more. All leaders in Community Leagues and Commissions across the state have worked extremely hard to ensure that the value of Community Football and Netball clubs and competitions is recognised. Not just at community level but that the contribution to state and national level competitions is also significant. State Government has provided support for Community clubs and Leagues by way of grants and recognition. That support has echoed the call by Region Commissions for the support to Community Football from the National bodies to be enhanced post Covid – not diminished. To that end it is expected that support, both in terms of funding and resources, will be increased from November onwards. At the time of writing this report there is general agreement about what the affiliation agreement funding will look like. I hope that at this AGM I will be able to report on the detail of that support.

During 2020 we have been able to complete our G21 Strategic Planning update. This was completed with the financial support of Buckleys and input from our Local Government Authorities. We look forward to sharing this vital piece of work after it passes through the final review stages. The G21 Strategy of 2015 delivered almost \$67m worth of projects to our Communities. We look forward to even better results emanating from the 2020 version.

The Federal Government support through the JobKeeper program has enabled us to retain our most valuable asset – our people. We are very grateful to all levels of Government for the support given during difficult times.

I would like to thank the contribution by all Leagues, Clubs and Supporters during 2020. In particular, I would like to thank the AFL Barwon Commissioners for their commitment and support during this difficult time. Difficult decisions need careful analysis and each and every member of the Commission has provided great insight and clarity to our decision making.

This AGM platform via electronic media is emblematic of season 2020. Many of the changes we have experienced will become the new COVID normal. Our sports need our Umpires, Footballers, Netballers and the army of club volunteers to be ready to adapt to whatever this pandemic throws at us. The ONE thing that is certain is that we NEED to get back to doing what we do best – Football and Netball.

See you at a game in 2021.

Craig Keating
Chairman
AFL Barwon

GENERAL MANAGER'S REPORT

Will McGregor

2020 has been a year of challenges based on uncertainty as Covid-19 forced the cancellation of all football and netball competitions, not only in the AFL Barwon (AFLB) region but right across Victoria. AFLB had a shared responsibility to ensure the safety of our community and after a significant consultation period with clubs, 2020 was a year where senior football and netball was not played in the region for the first time in more than 77 years.

In conjunction with AFL and Netball Victoria, constant monitoring of State Government announcements and consultation with local health experts meant AFLB had to continually provide updates to clubs on the state of play. This did enable- through the hard work of all volunteers and AFLB staff, a shortened three-week junior season of football and netball. While three weeks seems insignificant in comparison to a normal season, those three weeks were some of the most rewarding three weeks of any year where parents, players, volunteers and AFLB staff were able to remove themselves from the challenges everyone was facing in their personal lives.

Despite the fact limited football and netball was played, some key projects for the region have progressed or have been completed. In 2020, after some initial reductions, a permanent reset of the Allowable Player Payments for 2021 and beyond across the four football leagues and two Netball leagues has occurred. The reductions will ensure the long-term viability and sustainability of clubs and reduce the burden on volunteers to raise funds but also allow the clubs to invest in other areas such as facilities or junior development programs. This decision was another positive example of the region wide decision-making approach that we have developed which ensures all leagues have accountability for each other and are working collaboratively.

A junior age groups review has also been completed which will see the junior football age groups alter in 2022 after a large analysis of historical participation data analysis and club consultation was finalised. Support is also underway to review the Colac DFNL junior age groups, as well as building a long-term strategy for female football. These key projects will form part of a revamped 12-month Operational Strategic Plan that will be finalised before the end of 2020 and will ensure AFLB and its stakeholders fully understands the key areas of focus leading into 2021. Combined with the completed G21 & AFLB Regional Strategy – Towards 2030 will give the region a full under-

standing of the investment requirements into infrastructure and the strong plans to be put in place to drive our sports forward.

A major component of the 12-month strategic plan will be a focus on growing and retaining participants for our sports after a year of non-participation. There will also be a continued focus on supporting the club volunteer that has continued to drive great outcomes for their clubs while no on-field activity has occurred. An example of this focus is the achievement by AFLB's netball staff to manage a summer netball competition beginning in October that has seen record team entry numbers top 170 and shows the appetite to return to the court and field of play.

AFL Barwon is fortunate to have many long-term and loyal partners who have shown unwavering support in 2020, despite the tough economic climate through limited activity, and we are forever grateful for this. To all of our valued partners who make significant contributions, we cannot thank you enough and we hope to continue to strengthen these relationships into the future as we strive to create safe and inclusive environments at all clubs.

Despite the challenges we have faced as an industry, I could not be prouder of AFLB's staff over the last nine months. The level of commitment each staff member has shown to their position, the organisation and the wonderful clubs and volunteers that make up our region has enabled us as an organisation to get through this challenging period and begin to plan for the future. All staff have gone above and beyond while on reduced capacity and they should be commended for the role they have played.

I would also like to thank the AFL Barwon Commission, led by Chairman Craig Keating. The Commission has made sound governance decisions and continue to provide outcomes that have the best interest of the entire region at the forefront of their minds. Our region is a strong one, and a sound financial position will continue to progress the future of football and netball well beyond 2020. This year there have been many learnings and the challenges will continue, but the learnings will allow us to improve and refine our practices.

For now, it's about looking forward and bringing back the games that we love to the people that deserve the most; the players and the volunteers.

Will McGregor
Region General Manager
AFL Barwon

COMMERCIAL MANAGER'S REPORT

Georgia Hillman

It goes without saying that 2020 has been a year like no other. There has been plenty of twists and turns and all of us having to "pivot" in one way or another to make it work for our businesses.

Through of all of challenges 2020 brought, we were blown away by the generous support of our partners. AFL Barwon would not have been able to operate without the backing of our partners and we are so grateful for that.

I would specifically like to recognise Buckley's for their generous contribution of a massive \$15,000 to all of our AFL Barwon clubs. This came as some much-needed relief to our clubs who were undoubtedly under tremendous stress regarding the unknown of their financials and how no 2020 season would impact their club. This is a true example of partnership within our community and we cannot thank Buckley's enough. We highly encourage our AFL Barwon community to head down to Buckley's for a meal, as a way to support them once they re-open.

I also wanted to highlight some significant re-signings for 2021-

- Dow Company is locked in as BFNL Naming Rights partner until at least the end of 2023, taking them to almost 40 years of partnership.
- Epworth will continue as our Naming Rights Partner of our Female Competition.
- Medibank will also be continuing as an AFL Barwon partner in 2021.

We are so proud to partner with these businesses and their on-going support will assist us in continuing to deliver the highest standard of football and netball.

We have many more signings to come, so watch this space!

Again, we could not be prouder of our amazing partners and the support we have received. We can't wait to put 2020 behind us and kick off 2021 with a bang!

Georgia Hillman
Commercial Manager
AFL Barwon Football Commission Ltd.

CDFNL CHAIRMAN'S REPORT

Peter Hickey

Well what a year it turned out to be! This was nothing that we could ever have imagined. No football or netball for the year. This was easily the toughest year to be involved on any committee at any sporting club anywhere that I have experienced.

Firstly, we were ready to roll into the 2020 season in March full of hope and optimism, but then we had to put all those plans on hold. There were many questions and not many answers. It

was very frustrating to all concerned with many meetings being held and a lot more planning to be had.

Then as time rolled on it was getting clearer that there was the possibility we would not play at all. Decisions were put of until May while we waited for the dust to settle and see which way we would go.

Then the decision was made that for the first time we would not have a season at all.

A lot of people and club officials were not only disappointed but a little frustrated that we came to this outcome.

This outcome was not taken lightly by any of the people making the decisions, but nonetheless it was the correct one.

The priority was and always is the health of our community. The most valuable people in any country town are their people and we have a duty of care to look after them- we had to protect the clubs from potential harm from this disease.

I would take this opportunity to thank the clubs for their valuable input to the process and we can sit comfortably that we made the correct decision for everyone concerned. We look towards 2021 with great hope and hoping that we do not have a repeat of 2020.

Peter Hickey
CDFNL Chairman

OPERATIONAL REPORT

Each year we talk about the passion and commitment from our region's clubs, in their ability to continue to grow the game and produce fantastic footballers and netballers. That passion and commitment was never more evident than this unprecedented year. It ensured every possibility was explored to enable some form of competition take place in 2020 albeit under extremely challenging circumstances.

The initial statement was made in March to postpone all AFL Barwon competitions due to COVID-19. Club feedback was sought through various surveys to establish club preferences for modified senior and junior football and netball seasons under COVID-19 restrictions.

A highlight of the year was the culmination of everyone's hard work to ensure three rounds of junior football and netball being played. There was 196 netball teams fielded in 2020 and 298 football teams. Although the matches looked slightly different than 'normal' years, with goal umpires in masks and spectators adhering to social distancing restrictions it was worth it! Finishing on the important Kempe Read the Play was fitting as the mental health impact particularly in younger people, has never been more important than during the COVID-19 pandemic. This year marked the 14th year of our partnership with Read the Play.

We also had a record 172 junior teams register for 2020-21 Summer Netball, in a great sign participation and willingness to get back out there and play is as strong as ever.

In the senior ranks after the cancellation of the regular season a modified senior football and netball competition concepts were

explored. Ultimately the State Government restrictions, the delay this was causing for a potential start date and club's interest understandably fading it was decided to cancel these competitions as well.

Other noteworthy items for 2020 were that for the first time grading was implemented in the junior netball competitions, umpires were appointed to all junior matches, the netball umpire mentor program was conducted and the netball umpire coordinators took on more responsibility. We had 425 football umpires register for 2020 (down 82 from 2019 due to COVID-19 impact), the GFUL and CDFUA Umpire Associations agreed to a COVID-19 umpire fee reduction for all senior football competitions including Under 19's. An AFL Barwon Trainee Umpire Development Coordinator was appointed for the first time. Thank you for setting up the umpire coaching library, Umpire AFL Barwon YouTube and the school umpire program efforts.

Thank you to our clubs, the club volunteers were incredibly resilient in adapting to the everchanging landscape that was a football and netball season under COVID-19 restrictions.

Thank you to the GFNL, BFNL, GDFNL and CDFNL Board's, GFUL and CDFUA Umpire Associations, umpires, umpire coaches, netball umpire development mentors and AFL Barwon tribunal members.

AFL Barwon Operations Team:

Michael Limb, Nathan Ervin, Sean Atkinson, Sarah Allen, Emily Wolfenden-Carey and Jock Hillgrove

CATS IN THE COMMUNITY

AFL Barwon and the Geelong Cats enjoy a strong relationship, and one that continued to be showcased through the Cats community days at the beginning of the year. Geelong Male and Female players visited schools and local clubs from across the region- spanning Geelong and Colac.

COUNTRY DAY:

Country Day in 2020 saw 17 Schools, 10 Clubs and 5 Community Groups receiving visits from the AFL and AFLW players. Almost 2500 young people across the Geelong region were educated on the importance of physical activity through classroom sessions and clinics, learnt about our players through question and answer sessions and leadership talks and introduced our players to their community organisations.

COMMUNITY CAMP

Held across two days in Colac, Camperdown and Lorne, Community Camp provided the players with an opportunity to engage with communities while promoting game development. Held in the lead up to the annual pre-season Country Game against Essendon, an open training session was offered to the Colac community which saw schools and groups having the opportunity to see the players train and treated to ice-creams with thanks to Bulla Family Dairy.

Thanks to Powercor, local coaches were invited to a Coaches Education session ran by a panel of Cats staff, coaches and players.

Local Clubs received training sessions ran by our players, schools hosted mini clinics and with thanks to First State Super, the Colac Hospital staff were invited to a luncheon to hear from a panel of AFL and AFLW players.

In Camperdown, players were invited to try their hand at milking cows while in Lorne the players visited the Community Health centre.

Whilst local sport was cancelled in 2020, AFL and AFLW players continued to engage with junior footballers in the region via video messages and zoom sessions promoting staying active and healthy during lockdown and isolation.

Jess Dangerfield

GFC Community Engagement Coordinator.

Financial report
For the year ended 31 October 2020

<i>Director's Report</i>	28-30
<i>Auditor's independence declaration</i>	31
Financial Report	
<i>Statement of Comprehensive Income</i>	32
<i>Statement of Financial Position</i>	33
<i>Statement of Changes in Equity</i>	34
<i>Statement of Cash Flows</i>	35
<i>Notes to Financial Statement</i>	36-45
<i>Director's Declaration</i>	46
<i>Independent Auditor's Report</i>	47-49

DIRECTORS' REPORT

The directors present their report together with the financial report of AFL Barwon Football Commission Limited for the year ended 31 October 2020 and auditors report thereon. This financial report has been prepared in accordance with Australian Accounting Standards – Reduced Disclosure Regime.

Directors names

The names of the directors in office at any time during or since the end of the year are:

Craig Keating (Chairman)

Michelle Gerdtz (Deputy Chairman)

Ian McTaggart

Robert Hallett

Richard Underwood

Nicola Wojcik

David Milsome

Andrew Wierzbowski (Resigned 29/11/2019)

Philippa Jankowski (Commenced 06/02/2020)

The directors have been in office since the start of the year to the date of this report unless otherwise stated.

Meeting of directors

The number of meetings of the company's Board of Directors ('the Board') and of each Board committee held during the year ended 31 October 2020, and the number of meetings attended by each director were:

	Full Board		Audit Committee	
	Attended	Eligible to Attend	Attended	Eligible to Attend
Craig Keating	9	9	-	-
Michelle Gerdtz	9	9	-	-
Ian McTaggart	9	9	-	-
Robert Hallett	9	9	-	-
Richard Underwood	7	9	-	-
Nicola Wojcik	9	9	-	-
David Milsome	9	9	-	-
Will McGregor	9	9	-	-
Philippa Jankowski	8	9	-	-

DIRECTORS' REPORT

Results

The loss for the year amounted to \$53,729 (2019: profit of \$174,242).

Short term and long-term objectives

The short term and long-term objectives of the company are to deliver on the Vision, Mission and Values as well as action the strategic plan, focusing on; Participation, Community, Engagement, Development and Welfare, Facilities, Sustainability and People & Culture.

Performance measurement

The company uses the following key performance indicators to measure performance;

- The loss for the year amounted to \$53,729 (2019: profit of \$174,242).
- Cash flow from operating activities for the financial year was \$123,121 compared to the cash flow from operating activities for 2019 of \$206,732.
- Membership for the financial year was 51 (2019: 51).

Review of operations

The company continues to engage in its principle activity, the results of which are disclosed in the attached financial statements.

Significant changes in state of affairs

AFL Barwon has been impacted significantly by COVID-19 which forced the cancellation of all senior football and netball seasons and very minimal junior football and netball played. This forced cancellation impacted our revenue streams which impacted the organisations operating model.

Principal activities

The principal activity of the company during the year was the promotion Football and Netball in the AFL Barwon region.

No significant change in the nature of these activities occurred during the year.

After balance date events

The Coronavirus (COVID-19) pandemic continues to impact Metropolitan Melbourne, Regional Victoria and Nationally where the Group has operations. From 6 August 2020, metropolitan Melbourne was placed in Stage 4 lockdown, and regional Victoria was placed in stage 3 lockdown as part of the Victorian Government State of Disaster measures to flatten the COVID-19 active cases.

The company has responded to all Government measures and has COVID-safe plans. The potential impact on the company's operations, cashflows and financial position cannot be reasonably estimated.

No other matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the company, the results of those operations, or the state of affairs of the company in future financial years.

Likely developments

The company expects to maintain the present status and level of operations until COVID-19 restrictions are eased which will allow sport to be played and the resumption of our main principal activity.

Environmental regulation

The company's operations are not regulated by any significant environmental regulation under a law of the Commonwealth or of a State or Territory.

DIRECTORS' REPORT

Members guarantee

The company is incorporated under the *Corporations Act 2001* and is a company limited by guarantee. If the company is wound up, the Constitution states that each member is required to contribute to a maximum of \$1 each towards meeting any outstanding's and obligations of the company. At 31 October 2020 the number of members was 51. The combined total amount that members of the company are liable to contribute if the company is wound up is \$51.

Indemnification of officers

No indemnities have been given or insurance premiums paid, during or since the end of the year, for any person who is or has been an officer of the company.

Indemnification of auditors

No indemnities have been given or insurance premiums paid, during or since the end of the year, for any person who is or has been an auditor of the company.

The board of Directors are satisfied that the provision of non-audit services during the year is compatible with the general standard of Independence for auditors imposed by the *Corporations Act 2001*. Directors are satisfied that non-audit services did not compromise the external auditor's independence for the following reasons;

- All non-audit services provided are reviewed and approved prior to commencement to ensure they do not adversely affect the integrity and objectivity of the auditor; and

- The nature of services provided do not compromise the general principles in relation to auditor independence in accordance with APES 110: Code of Ethics for Professional Accountants set by the Accounting Professionals and Ethics Standard Board.

Auditor's independence declaration

A copy of the auditor's declaration under section 307C of the *Corporations Act 2001* in relation to the audit for the financial year is provided with this report.

Proceedings on behalf of the company

No person has applied for leave of Court to bring proceedings on behalf of the company or intervene in any proceedings to which the company is a party for the purpose of taking responsibility on behalf of the company for all or any part of those proceedings.

Signed on behalf of the board of directors.

Director: 
Craig Keating

Director: 
Michelle Gerdtz

Dated this 18th day of November 2020

**Auditor Independence Declaration Under S307C of the
Corporations Act 2001 to the Directors of AFL Barwon
Football Commission Limited**

I declare that, to the best of my knowledge and belief, during the year ended 31 October 2020 there have been no contraventions of:

- 1) The auditor independence requirements as set out in the *Corporations Act 2001* in relation to the audit; and
- 2) Any applicable code of professional conduct in relation to the audit.

CROWE MELBOURNE

CASSANDRA GRAVENALL

Partner

Geelong Victoria

Dated this 18th day of November 2020

The title 'Partner' conveys that the person is a senior member within their respective division, and is among the group of persons who hold an equity interest (shareholder) in its parent entity, Findex Group Limited. The only professional service offering which is conducted by a partnership is the Crowe Australasia external audit division. All other professional services offered by Findex Group Limited are conducted by a privately owned organisation and/or its subsidiaries.

Findex (Aust) Pty Ltd, trading as Crowe Australasia is a member of Crowe Global, a Swiss verein. Each member firm of Crowe Global is a separate and independent legal entity. Findex (Aust) Pty Ltd and its affiliates are not responsible or liable for any acts or omissions of Crowe Global or any other member of Crowe Global. Crowe Global does not render any professional services and does not have an ownership or partnership interest in Findex (Aust) Pty Ltd. Services are provided by Crowe Melbourne, an affiliate of Findex (Aust) Pty Ltd. Liability limited by a scheme approved under Professional Standards Legislation. Liability limited other than for acts or omissions of financial services licensees.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 OCTOBER 2020

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements are for AFL Barwon Football Commission Limited an individual entity, incorporated and domiciled in Australia. AFL Barwon Football Commission is a company limited by guarantee.

(a) Basis of preparation of the financial report

These general purpose financial statements have been prepared in accordance with Australian Accounting Standards – Reduced Disclosure Requirements and Interpretations issued by the Australian Accounting Standards Board ('AASB') and the *Corporations Act 2001*, as appropriate for not-for-profit oriented entities.

Historical Cost Convention

The financial report has been prepared under the historical cost convention.

Australian Accounting Standard's set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of the financial statements are presented below and have been consistently applied unless stated otherwise.

The financial statements, except for the cash flow information, have been prepared on an accrual basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest dollar.

(b) Revenue

Revenue, including government grant funding that is subject to a funding arrangement that is both enforceable and sufficiently specific regarding its purpose, is recognised at a point in time or over time, when (or as) the company satisfies performance obligations by transferring the promised goods to its customers.

Revenue from the rendering of a service is recognised upon the delivery of the service to the customers.

Government grant funding provided to the company in accordance with a funding arrangement that is not both enforceable and sufficiently specific regarding its purpose, is recognised as revenue in the statement of profit or loss and other comprehensive income when the Group obtains control of the grant and it is probable that the economic benefits gained from the grant will flow to the Group and the amount of the grant can be measured reliably.

Interest revenue is recognised when it becomes receivable on a proportional basis taking in to account the interest rates applicable to the financial assets.

All revenue is stated net of the amount of goods and services tax (GST).

(c) Income tax

No provision for income tax has been raised as the company is exempt from income tax under Division 50 of the *Income Tax Assessment Act 1997*.

(d) Cash and cash equivalents

Cash and cash equivalents include cash on hand and at banks, short-term deposits with an original maturity of three months or less held at call with financial institutions, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities on the statement of financial position.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 OCTOBER 2020

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(e) Inventories

Inventories are measured at the lower of cost and net realisable value.

(f) Property, plant and equipment

Each class of plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and any accumulated impairment losses.

Plant and equipment

Plant and equipment is measured on the cost basis.

The carrying amount of plant and equipment is reviewed annually by directors to ensure it is not in excess of the recoverable amount from those assets. The recoverable amount is assessed on the basis of the expected net cash flows which will be received from the assets employment and subsequent disposal. The expected net cash flows have not been discounted to present values in determining recoverable amounts.

Depreciation

The depreciable amount of all fixed assets are depreciated over their estimated useful lives commencing from the time the asset is held ready for use.

Class of fixed asset	Depreciation rates	Depreciation basis
Motor vehicles	15%	Straight line
Office furniture & equipment at cost	5 - 33%	Straight line

(g) Trade and other payables

Trade and other payables represent the liabilities for goods and services received by the company during the reporting period that remain unpaid at the end of the reporting period. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

(h) Provisions

Provisions are recognised when the company has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

(i) Employee benefits

(i) Short-term employee benefit obligations

Liabilities arising in respect of wages and salaries, annual leave, accumulated sick leave and any other employee benefits expected to be settled within twelve months of the reporting date are measured at their nominal amounts based on remuneration rates which are expected to be paid when the liability is settled. The expected cost of short-term employee benefits in the form of compensated absences such as annual leave is recognised in the provision for employee benefits. All other short-term employee benefit obligations are presented as payables.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 OCTOBER 2020

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(ii) Long-term employee benefit obligations

Liabilities arising in respect of long service leave and annual leave which is not expected to be settled within twelve months of the reporting date are measured at the present value of the estimated future cash outflow to be made in respect of services provided by employees up to the reporting date.

Employee benefit obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting date, regardless of when the actual settlement is expected to occur.

Contributions are made by the company to an employee superannuation fund and are charged as expenses as incurred.

(j) Borrowing costs

Borrowing costs can include interest, amortisation of discounts or premiums relating to borrowings, ancillary costs incurred in connection with arrangement of borrowings, foreign exchange losses net of hedged amounts on borrowings.

Borrowing costs are expensed as incurred, except for borrowing costs incurred as part of the cost of the construction of a qualifying asset are capitalised until the asset is ready for its intended use or sale.

(k) Leases

The company has adopted AASB 16 from 1 November 2019. The standard replaces AASB 117 'Leases' and for lessees eliminates the classifications of operating leases and finance leases. Except for short-term leases and leases of low-value assets, right-of-use assets and corresponding lease liabilities are recognised in the statement of financial position.

Straight-line operating lease expense recognition is replaced with a depreciation charge for the right-of-use assets (included in operating costs) and an interest expense on the recognised lease liabilities (included in finance costs). For lessor accounting, the standard does not substantially change how a lessor accounts for leases.

The company has elected not to apply the recognition and measurement criteria above to:

- (i) *Short-term leases* – where the lease term does not exceed 12 months;
- (ii) *leases of low value assets* – leases for which the underlying asset has a fair value below \$10,000.

Lease payments for leases that have been designated as *short-term leases* or *leases of low value assets* are expensed on either a straight-line basis over the lease term or another systematic basis.

(l) Comparatives

Where required by Accounting Standards, comparative figures have been adjusted to conform with changes in presentation for the current financial year.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 OCTOBER 2020

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(m) Critical Accounting Estimates and Judgements

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts in the financial statements. Management continually evaluates its judgements and estimates in relation to assets, liabilities, contingent liabilities, revenue and expenses. Management bases its judgements, estimates and assumptions on historical experience and on other various factors, including expectations of future events, which management believes to be reasonable under the circumstances. The resulting accounting judgements and estimates will seldom equal the related actual results.

The judgements estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities (refer to the respective notes) within the next financial year are discussed below.

Employee benefits provision

As discussed in note 1(i), the liability for employee benefits expected to be settled more than 12 months from the reporting date are recognised and measured at the present value of the estimated future cash flows to be made in respect of all employees at the reporting date. In determining the present value of the liability, estimates of attrition rates and pay increases through promotion and inflation have been taken into account.

Coronavirus (COVID-19) pandemic

Judgement has been exercised in considering the impacts that the Coronavirus (COVID-19) pandemic has had, or may have, on the Company based on known information. This consideration extends to the nature of the services offered, customers, and staffing. Other than as addressed in specific notes, there does not currently appear to be either any significant impact upon the financial statements or any significant uncertainties with respect to events or conditions which may impact the Company unfavourably as at the reporting date or subsequently as a result of the Coronavirus (COVID-19) pandemic.

Key estimates

Impairment

The company assesses impairment at the end of each reporting period by evaluating conditions and events specific to the company that may be indicative of impairment triggers.

(n) New Accounting Standards and Interpretations not yet mandatory or early adopted

Australian Accounting Standards and Interpretations that have recently been issued or amended but are not yet mandatory, have not been early adopted by the company for the annual reporting period ended 31 October 2020.

The company has not yet assessed the impact of these new or amended Accounting Standards and Interpretations.

(q) New Accounting Standards and interpretations applicable this year

The Company has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

The following Accounting Standards and Interpretations are most relevant to the Company:

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 OCTOBER 2020

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (continued)

AASB 16 Leases

The company has adopted AASB 16 from 1 November 2019. The standard replaces AASB 117 'Leases' and for lessees eliminates the classifications of operating leases and finance leases. Except for short-term leases and leases of low-value assets, right-of-use assets and corresponding lease liabilities are recognised in the statement of financial position. Straight-line operating lease expense recognition is replaced with a depreciation charge for the right-of-use assets (included in operating costs) and an interest expense on the recognised lease liabilities (included in finance costs). In the earlier periods of the lease, the expenses associated with the lease under AASB 16 will be higher when compared to lease expenses under AASB 117. However, EBITDA (Earnings Before Interest, Tax, Depreciation and Amortisation) results improve as the operating expense is now replaced by interest expense and depreciation in profit or loss. For classification within the statement of cash flows, the interest portion is disclosed in operating activities and the principal portion of the lease payments are separately disclosed in financing activities.

Impact of adoption

AASB 16 was adopted using the modified retrospective approach and as such the comparatives have not been restated. The adoption had no impact on opening retained profits as at 1 November 2019.

The following is a reconciliation of total lease commitments at 31 October 2019 (as disclosed in the financial statements to 31 October 2019) to the lease liabilities recognised at 1 November 2019:

Operating lease commitments disclosed as at 31 Oct 2019	11,568
Add: adjustments as a result of different treatment	-
Less: short term/ low value leases not included at 1 Nov 2019	<u>(11,568)</u>
Lease liability recognised as at 1 November 2019	-

AASB 15 Revenue from Contracts with Customers

This standard is applicable to annual reporting periods beginning on or after 1 November 2019. The standard provides a single standard for revenue recognition. The core principle of the standard is that an entity will recognise revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The standard will require: contracts (either written, verbal or implied) to be identified, together with the separate performance obligations within the contract; determine the transaction price, adjusted for the time value of money excluding credit risk; allocation of the transaction price to the separate performance obligations on a basis of relative stand-alone selling price of each distinct good or service, or estimation approach if no distinct observable prices exist; and recognition of revenue when each performance obligation is satisfied. Credit risk will be presented separately as an expense rather than adjusted to revenue.

For goods, the performance obligation would be satisfied when the customer obtains control of the goods. For services, the performance obligation is satisfied when the service has been provided, typically for promises to transfer services to customers.

For performance obligations satisfied over time, an entity would select an appropriate measure of progress to determine how much revenue should be recognised as the performance obligation is satisfied. Contracts with customers will be presented in an entity's statement of financial position as a contract liability, a contract asset, or a receivable, depending on the relationship between the entity's performance and the customer's payment. Sufficient quantitative and qualitative disclosure is required to enable users to understand the contracts with customers; the significant judgments made in applying the guidance to those contracts; and any assets recognised from the costs to obtain or fulfil a contract with a customer. The company has adopted this standard from 1 November 2019 and the impact of its adoption is assessed by the company as immaterial due to the fact that revenue arising from contracts with customers was already being recorded in line with the accomplishment of performance obligations.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 OCTOBER 2020

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Impact of adoption

AASB 15 was adopted using the modified retrospective approach and as such the comparatives have not been restated. The adoption had no impact on opening retained profits as at 1 November 2019.

AASB 1058 Income of Not-for-Profit Entities

The company has adopted AASB 1058 from 1 November 2019. The standard replaces AASB 1004 'Contributions' in respect to income recognition requirements for not-for-profit entities. The timing of income recognition under AASB 1058 is dependent upon whether the transaction gives rise to a liability or other performance obligation at the time of receipt. Income under the standard is recognised where: an asset is received in a transaction, such as by way of grant, bequest or donation; there has either been no consideration transferred, or the consideration paid is significantly less than the asset's fair value; and where the intention is to principally enable the entity to further its objectives. For transfers of financial assets to the entity which enable it to acquire or construct a recognisable non-financial asset, the entity must recognise a liability amounting to the excess of the fair value of the transfer received over any related amounts recognised. Related amounts recognised may relate to contributions by owners, AASB 15 revenue or contract liability recognised, lease liabilities in accordance with AASB 16, financial instruments in accordance with AASB 9, or provisions in accordance with AASB 137.

The liability is brought to account as income over the period in which the entity satisfies its performance obligation. If the transaction does not enable the entity to acquire or construct a recognisable non-financial asset to be controlled by the entity, then any excess of the initial carrying amount of the recognised asset over the related amounts is recognised as income immediately. Where the fair value of volunteer services received can be measured, a private sector not-for-profit entity can elect to recognise the value of those services as an asset where asset recognition criteria are met or otherwise recognise the value as an expense.

Impact of adoption

The company has elected not to recognise volunteer services as either revenue or other form of contribution received. As such, any related consumption or capitalisation of such resources received is also not recognised.

Key management personnel

Disclosures relating to key management personnel are set out in Note 11.

Transactions with related parties

There were no transactions with related parties during the current and previous financial year.

Receivable from and payable to related parties

There were no trade receivables from or trade payables to related parties at the current and previous reporting date.

NOTE 16: EVENTS SUBSEQUENT TO REPORTING DATE

The Coronavirus (COVID-19) pandemic continues to impact Metropolitan Melbourne, Regional Victoria and Nationally where the Company has operations. From 6 August 2020, metropolitan Melbourne was placed in Stage 4 lockdown, and regional Victoria was placed in stage 3 lockdown as part of the Victorian Government State of Disaster measures to flatten the COVID-19 active cases.

The Company has responded to all Government measures and has COVID-safe plans. The potential impact on the company's operations, cashflows and financial position cannot be reasonably estimated.

No other matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the Group, the results of those operations, or the state of affairs of the Company in future financial years.

NOTE 17: COMPANY DETAILS

The registered office of the company is:

AFL Barwon Football Commission Limited
'Highton Reserve'
Roslyn Road, Highton
Geelong Victoria 3216

DIRECTORS' DECLARATION
FOR THE YEAR ENDED 31 OCTOBER 2020

The directors of the company declare that:

1. The attached financial statements and notes, as set out on pages 5-18 are in accordance with the *Corporations Act 2001* and;
 - a. comply with Australian Accounting Standards – Reduced Disclosure Requirements, the *Corporations Regulations 2001* and other mandatory professional reporting requirements; and
 - b. give a true and fair view of the company's financial position as at 31 October 2020 and of its performance for the financial year ended on that date.
2. There are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board of Directors.

Director:

Craig Keating

Director:

Michelle Gerdtz

Dated this 18th day of November 2020

Independent Auditor's Report To the Members of AFL Barwon Football Commission Limited

Qualified Opinion

We have audited the financial report of AFL Barwon Football Commission Limited (the Company), which comprises the statement of financial position as at 31 October 2020, the statement of comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.

In our opinion, except for the effects of such adjustments, if any, as might have been determined to be necessary had the limitation discussed in the qualification paragraph not existed, the accompanying financial report of the Company is in accordance with the *Corporations Act 2001*, including:

- (a) giving a true and fair view of the Company's financial position as at 31 October 2020 and of its financial performance for the year then ended; and
- (b) complying with Australian Accounting Standards – Reduced Disclosure Requirements and the *Corporations Regulations 2001*.

Basis for Opinion

As is common for organisations of this type, it is not practical for AFL Barwon Football Commission Limited to maintain an effective system of internal control over receipts until their initial entry in the accounting records. Accordingly, our audit in relation to revenue was limited to amounts recorded.

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter – Subsequent Event - COVID-19

We draw attention to Note 16 to the financial report, which describes the effects of the Stage 4 lockdown in Metropolitan Melbourne and Stage 3 lockdown in Regional Victoria as part of the Victorian Government State of Disaster to address the COVID-19 Pandemic. Our opinion is not modified in respect of this matter.

The title 'Partner' conveys that the person is a senior member within their respective division, and is among the group of persons who hold an equity interest (shareholder) in its parent entity, Findex Group Limited. The only professional service offering which is conducted by a partnership is the Crowe Australasia external audit division. All other professional services offered by Findex Group Limited are conducted by a privately owned organisation and/or its subsidiaries.

Findex (Aust) Pty Ltd, trading as Crowe Australasia is a member of Crowe Global, a Swiss Verein. Each member firm of Crowe Global is a separate and independent legal entity. Findex (Aust) Pty Ltd and its affiliates are not responsible or liable for any acts or omissions of Crowe Global or any other member of Crowe Global. Crowe Global does not render any professional services and does not have an ownership or partnership interest in Findex (Aust) Pty Ltd. Services are provided by Crowe Melbourne, an affiliate of Findex (Aust) Pty Ltd. Liability limited by a scheme approved under Professional Standards Legislation. Liability limited other than for acts or omissions of financial services licensees.

Responsibilities of the Directors for the Financial Report

The directors of the Company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards – Reduced Disclosure Requirements and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the ability of the Company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

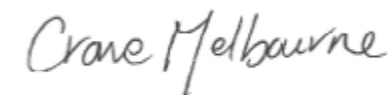

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Board regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during the audit.
